

An aerial night view of a city skyline, likely New York City, with a full moon visible in the sky. The city is illuminated by streetlights and building lights, creating a vibrant orange and yellow glow against the dark blue night sky. The skyline is dense with skyscrapers, and a prominent light trail from a highway or bridge runs diagonally across the lower right portion of the image.

Glossary

A cityscape at midnight with glowing skyscrapers. The skyline is illuminated by office lights from tall buildings, with a mix of modern glass towers and older brick structures. A few scattered clouds drift through the dark night sky, which is dotted with stars. In the background, the faint silhouette of a bridge can be seen. The streets below are quiet, reflecting the moonlight, with a few streetlights casting soft glows onto the sidewalks. The scene captures a serene yet mysterious urban atmosphere.
